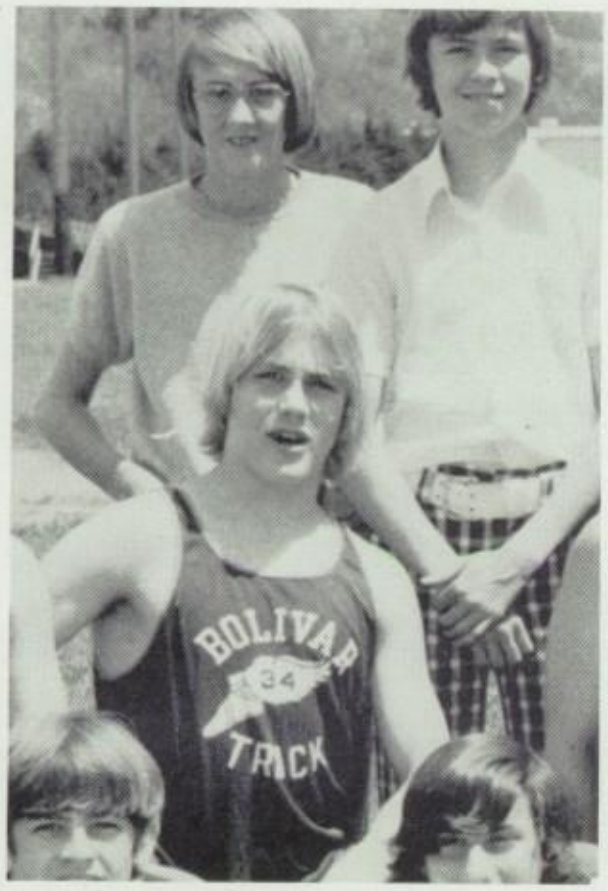
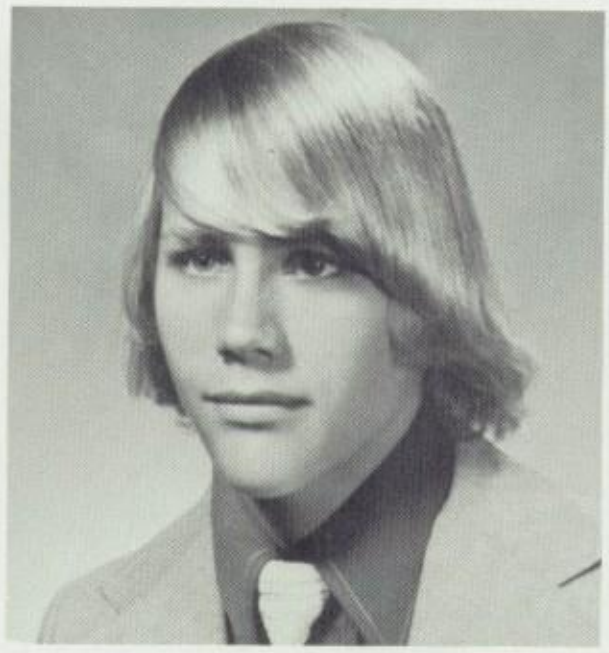
The Senior Class Proudly Dedicates the 1978 Gusher to Mrs. Betty Cornelius

We, the Senior Class of Bolivar (Central School), wish to show our appreciation by dedicating this year's Gusher to a very special lady. In twenty-three years of teaching her involvement and support in various groups has been a sustaining factor in school life. Although her activities run many and varied, her forte is English. Every single student who has been taught by her experienced mind has come away with a greater insight into language. She is a woman who truly "lit up our lives" and will never be forgotten with the coming years. Thank-you, Mrs. Cornelius, for everything. The class of 1978 proudly dedicates their Gusher to you.

In Memory of





William Hackett

They say time heals all sorrow
And helps us to forget.
But time has only proven
How much we miss him yet.
God gave us strength to fight it,
And courage to heal the blow.
But what it meant to lose him
No one will ever know.
His memory to us is a keepsake,
With which we will never part.
Though God has him safe in his keeping
We have him in our hearts.

Greatly missed and
Remembered by us all

Students,

Well it's time for us to say good-bye. How we will miss each other. Our lives will never be the same. But our memories will always be linked to the past, the joys and sorrows we shared together. The rallies at a bond fire, the team effort in a football game, the excitement of a winning buzzer shot at a basketball game, your first writeup in a newspaper, or your first date. Though we try we will never forget the hurt of the friend who moved away, the absence of one graduated and gone to college, or the pain of a lovers quarrel.

Never forget the past, but always look toward the future. Give your most in all you do. Be kind to everyone, and always try to wear a smile; it always helps. Have a good time, but not at the expense of another and don't cheat yourself. Try to give your very best, and the best will be given to you.
